HOMETOWN BANCORP, INC.

PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Hometown Bancorp, Inc., herein referred to as Hometown Bancorp, to be used at the annual meeting of stockholders. We are the holding company for Hometown Bank of the Hudson Valley, hereafter referred to as Hometown Bank, and the majority-owned subsidiary of Hometown Bancorp MHC. The annual meeting will be held at our main office at 12 Main Street, Walden, New York on Wednesday, May 14, 2014 at 4:00 p.m., local time. We are making our proxy materials available to our stockholders on the Internet. You may read, print and download our 2013 Annual Report to Stockholders and our Proxy Statement at www.cfpproxy.com/6263. On April 4, 2014, we mailed a notice to stockholders containing instructions on how to access our proxy materials online. In addition, ten days after mailing that notice, we will mail a proxy card or voting instruction card to stockholders for voting their shares. On an ongoing basis, stockholders may request to receive proxy materials in printed form by mail or electronically by email.

Voting and Proxy Procedure

Who Can Vote at the Meeting

You are entitled to vote your shares of Hometown Bancorp common stock if our records show that you held your shares as of the close of business on March 21, 2014. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by your broker, bank or nominee. As the beneficial owner, you have the right to direct your broker on how to vote your shares. Your broker, bank or nominee has enclosed a voting instruction card for you to use in directing it on how to vote your shares.

As of the close of business on March 21, 2014, 2,326,939 shares of Hometown Bancorp common stock were outstanding. Each share of common stock has one vote. Our Charter provides that holders of our common stock (other than Hometown Bancorp MHC) who beneficially own, either directly or indirectly, in excess of 10% of our outstanding shares are not entitled to any vote with respect to the shares held in excess of that 10% limit.

Attending the Meeting

If you are a stockholder as of the close of business on March 21, 2014, you may attend the meeting. However, if you hold your shares in street name, you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or letter from a bank, broker or other nominee are examples of proof of ownership. If you want to vote your shares of Hometown Bancorp common stock held in street name in person at the meeting, you will need a written proxy in your name from the broker, bank or other nominee who holds your shares.

Vote By Hometown Bancorp MHC

Hometown Bancorp MHC, our mutual holding company parent, owned 56.3% of our outstanding shares of common stock as of March 21, 2014. All shares of common stock owned by Hometown Bancorp MHC will be voted in accordance with the instructions of the Board of Directors of Hometown Bancorp MHC, the members of which are identical to the members of the Board of Directors of Hometown Bancorp. Hometown Bancorp MHC is expected to vote such shares “FOR” the nominee for election as a director, and “FOR” ratification of the appointment of Bonadio & Co., LLP as our independent accounting firm.

Vote Required

The annual meeting will be held only if there is a quorum. A majority of the outstanding shares of Hometown Bancorp common stock entitled to vote, represented in person or by proxy, constitutes a quorum. If you return valid proxy instructions or attend the meeting in person, your shares will be counted for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes also will be counted for purposes of determining the existence of a quorum. Broker non-votes will not be counted as a vote with regards to the election of directors. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker, bank or other nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

In voting on the election of directors, you may vote in favor of the nominee, or withhold votes as to the nominee. There is no cumulative voting for the election of directors. Directors are elected by a plurality of the votes cast at the annual meeting. "Plurality" means that the nominee receiving the largest number of votes cast will be elected up to the maximum number of directors to be elected at the annual meeting. The maximum number of directors to be elected at the annual meeting is one. Votes that are withheld will have no effect on the outcome of the election.

In voting to ratify the appointment of Bonadio & Co., LLP as our independent accounting firm, you may vote in favor of the proposal, against the proposal or abstain from voting. To be approved, this matter requires the affirmative vote of a majority of the votes represented at the annual meeting and entitled to vote.

Because Hometown Bancorp MHC owns in excess of 50% of the outstanding shares of our common stock, the votes it casts will ensure the presence of a quorum and determine the outcome of Proposal 1 (Election of Directors) and Proposal 2 (Ratification of Independent Accounting Firm).

Voting by Proxy

This proxy statement is being distributed to you by the Board of Directors to request that you allow your shares of our common stock to be represented at the annual meeting by the persons named in the proxy card. All shares of our common stock represented at the meeting by properly executed and dated proxies will be voted according to the instructions indicated on the proxy card. If you sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by our Board of Directors. **The Board of Directors recommends that you vote "FOR" the nominee for director, and "FOR" ratification of the appointment of Bonadio & Co., LLP as our independent accounting firm.**

If any matter not described in this proxy statement is properly presented at the annual meeting, the persons named in the proxy card will use their judgment to determine how to vote your shares. This includes a motion to adjourn or postpone the meeting to solicit additional proxies. If the annual meeting is postponed or adjourned, your shares of Hometown Bancorp common stock may also be voted by the persons named in the proxy card on the new meeting date, unless you have revoked your proxy. We do not know of any other matters to be presented at the meeting.

You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy, you must either advise our Corporate Secretary in writing before your common stock has been voted at the annual meeting, deliver a later-dated valid proxy or attend the meeting and vote your shares in person. Attendance at the annual meeting will not in itself constitute revocation of your proxy.

If your Hometown Bancorp common stock is held in street name, you will receive instructions from your broker, bank or other nominee that you must follow to have your shares voted. Your broker, bank or other nominee may allow you to deliver your voting instructions by telephone or by the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this proxy statement. If you wish to change your voting instructions after you have returned your voting instruction form to your broker, bank or other nominee, you must contact your broker, bank or other nominee.

Participants in Hometown Bank of the Hudson Valley ESOP

If you participate in the Hometown Bank of the Hudson Valley Employee Stock Ownership Plan (the “ESOP”), which is the beneficial owner of 4.0% of the outstanding common stock, you will receive a voting instruction card for the plan that will reflect all the shares that you may direct the trustees to vote on your behalf under the plan. Under the terms of the ESOP, all allocated shares of Hometown Bancorp common stock held by the ESOP are voted by the ESOP trustee, as directed by plan participants. All unallocated shares of Hometown Bancorp common stock held by the ESOP and all allocated shares for which no timely voting instructions are received, are voted by the ESOP trustee in the same proportion as shares for which the trustee has received voting instructions, subject to the exercise of its fiduciary duties. **The deadline for returning your voting instruction cards is May 7, 2014.** Pentegra Trust Company will tally the ESOP votes.

Corporate Governance

General

We periodically review our corporate governance policies and procedures to ensure that we meet the highest standards of ethical conduct, report results with accuracy and transparency and maintain full compliance with the laws, rules and regulations that govern our operations. As part of this periodic corporate governance review, the Board of Directors reviews and adopts best corporate governance policies and practices for Hometown Bancorp.

Board Structure and Risk Oversight

Steven E. Howell serves as the Chairman of the Board and Marjorie S. Rovereto serves as the President and Chief Executive Officer. The Board of Directors made the determination that these offices would be best served by two individuals. The Board of Directors believes that the lead independent director should be the Chairman of the Board and that position is best served by a director independent of management. In addition, the separation of the Chairman of the Board and President and Chief Executive Officer allows the President and Chief Executive Officer to better focus her energies on strengthening our franchise and increasing stockholder value while allowing the Chairman of the Board to lead the board in its fundamental role of providing advice to and independent oversight of management. This board structure is also used by Hometown Bank.

The Board of Directors is actively involved in oversight of risks that could affect Hometown Bancorp. This oversight is conducted primarily through committees of the Board of Directors, but the full Board of Directors has retained responsibility for general oversight of risks. The Board of Directors satisfies this responsibility through full reports by each committee chair regarding the committee’s considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within Hometown Bancorp. Risks relating to the direct operations of Hometown Bank are further overseen by the Board of Directors of Hometown Bank, who are the same individuals who serve on the Board of Directors of Hometown Bancorp. The Board of Directors of Hometown Bank also has additional committees that conduct risk oversight separate from Hometown Bancorp. Further, the Board of Directors oversees risks through the establishment of policies and procedures that are designed to guide daily operations in a manner consistent with applicable laws, regulations and risks acceptable to the organization.

Code of Ethics

We have adopted a Code of Ethics that is designed to ensure that our directors, executive officers and employees meet the highest standards of ethical conduct. The Code of Ethics requires our directors, executive officers and employees to avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner and otherwise act with integrity and in our best interest. Under the terms of the Code of Ethics, directors, executive officers and employees are required to report any conduct that they believe in good faith to be an actual or apparent violation of the Code.

We have adopted a Code of Ethics for Senior Financial Officers, which applies specifically to the Chief Executive Officer, Chief Financial Officer and the Controller and is designed to ensure that the senior financial officers maintain the highest standards of honest and ethical conduct, including the proper handling of financial records and periodic reports. The Senior Financial Officer Code is not meant to replace the Code of Ethics, but instead supplements it. All senior financial officers are expected to abide by both codes.

As a mechanism to encourage compliance with the Code of Ethics, we have established procedures to receive, retain and treat complaints received regarding accounting, internal accounting controls or auditing matters. These procedures ensure that individuals may submit concerns regarding questionable accounting or auditing matters in a confidential and anonymous manner. The Code of Ethics also prohibits us from retaliating against any director, executive officer or employee who reports actual or apparent violations of the Code. Copies of the Code of Ethics and the Senior Financial Officer Code are available, on our website at www.hometownbankhv.com or without charge, upon written request to Amy Sherwood, Corporate Secretary, Hometown Bancorp, Inc., 12 Main Street, Walden, New York 12586.

Meetings and Committees of the Board of Directors

We conduct business through meetings of our Board of Directors and its committees. Our Board of Directors held 12 regular meetings during the fiscal year ended December 31, 2013. No director attended fewer than 75% of the total meetings of the Board of Directors and committees on which such director served during fiscal 2013.

The following table identifies our standing committees and their members. All members of each committee are independent in accordance with the listing standards of the Nasdaq Stock Market, Inc. Nominating/Corporate Governance Committee. The Nominating/Corporate Governance Committee assists the Board of Directors in identifying qualified individuals to serve as Board members, in determining the composition of the Board of Directors and its committees, in developing a set of corporate governance policies and procedures and in monitoring a process to assess Board effectiveness. The Nominating/Corporate Governance Committee also considers and recommends the nominees for director to stand for election at our annual meeting of stockholders. Proposal 1 - Election of Directors

Our Board of Directors consists of six members who are elected for terms of three years, approximately one-third of whom are elected annually. All of our directors are independent under the current listing standards of the Nasdaq Stock Market. The Board of Directors’ nominee for election this year to serve for a three-year term or until his respective successor has been elected and qualified is Curt J. Schoeberl, Sr.

It is intended that the proxies solicited by the Board of Directors will be voted for the election of the nominee named above. If the nominee is unable to serve, the persons named in the proxy would vote your shares to approve the election of any substitute nominee proposed by the Board of Directors. Alternatively, the Board of Directors may adopt a resolution to reduce the size of the board. At this time, the Board of Directors knows of no reason why the nominee might be unable to serve.

The Board of Directors recommends a vote “FOR” the election of the nominee.

Information regarding the directors is provided below. Unless otherwise stated, each person has held his current occupation for the last five years. Ages presented are as of December 31, 2013. There are no family relationships among the directors or executive officers.

Proposal 2 - Ratification of Independent Accounting Firm

The Audit Committee of the Board of Directors has appointed Bonadio & Co., LLP to be our independent accounting firm for the 2014 fiscal year, subject to ratification by stockholders. A representative of Bonadio & Co., LLP is expected to be present at the annual meeting to respond to appropriate questions from stockholders and will have the opportunity to make a statement should he or she desire to do so.

If the ratification of the appointment of the independent accounting firm is not approved by a majority of the votes represented at the annual meeting and entitled to vote, the Audit Committee of the Board of Directors will consider other independent accounting firms.

The Board of Directors recommends a vote "FOR" the ratification of the appointment of the independent accounting firm.

Pre-Approval of Services by the Independent Accounting Firm

The Audit Committee is responsible for appointing, setting compensation and overseeing the work of the independent accounting firm. In accordance with its charter, the Audit Committee approves, in advance, all audit and permissible non-audit services to be performed by the independent accounting firm. Such approval process ensures that the external auditor does not provide any non-audit services to Hometown Bancorp that are prohibited by law or regulation.

In addition, the Audit Committee has established a policy regarding pre-approval of all audit and permissible non-audit services provided by the independent accounting firm. Requests for services by the independent accounting firm for compliance with the auditor services policy must be specific as to the particular services to be provided. The request may be made with respect to either specific services or a type of service for predictable or recurring services.

During the year ended December 31, 2013, all services were approved, in advance, by the Audit Committee in compliance with these procedures.

Audit Committee Report

Our management is responsible for our internal control over financial reporting. The independent accounting firm is responsible for performing an independent audit of our consolidated financial statements and issuing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States of America (“GAAP”). The Audit Committee oversees internal control over financial reporting on behalf of the Board of Directors.

In this context, the Audit Committee has met and held discussions with management and the independent accounting firm. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with GAAP and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accounting firm. The Audit Committee discussed with the independent accounting firm matters required to be discussed by PCAOB Standards No. 7 (The Auditor’s Communication With Those Charged With Governance), including the quality, and not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the consolidated financial statements.

The Audit Committee discussed with our independent accounting firm the overall scope and plans for their audit. The Audit Committee meets with the independent accounting firm, with and without management present, to discuss the results of their audit, and the overall quality of our financial reporting process.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of our management, which has the primary responsibility for financial statements and reports, and of the independent accounting firm who, in its report, expresses an opinion on the conformity of our consolidated financial statements to GAAP. The Audit Committee’s oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee’s considerations and discussions with management and the independent accounting firm do not assure that our consolidated financial statements are presented in accordance with GAAP, that the audit of our consolidated financial statements has been carried out in accordance with the standards of the Auditing Standards generally accepted in the United States of America or that our independent accounting firm is in fact “independent.”

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in our Annual Report for the year ended December 31, 2013. The Audit Committee has appointed, subject to stockholder ratification, the selection of our independent accounting firm for the fiscal year ending December 31, 2014.

Our Compensation Committee meets annually to determine any incentive compensation to be awarded to our executive officers. Our incentive compensation, which is not based on any written plan or policy, is based on the financial performance of Hometown Bank and the individual performance of our executive officers. Discretionary bonuses for our executive officers are recommended by the Compensation Committee and approved by our Board of Directors on an annual basis after completion of Hometown Bank’s operating budget. As no specific financial targets, formulas or thresholds are utilized by our Compensation Committee in assessing the amount of such bonuses, the process for determining such bonuses is entirely a subjective analysis within the purview of the Compensation Committee. Our President and Chief Executive Officer offers recommendations to the Compensation Committee as to proposed bonus amounts for other executive officers, but does not recommend or participate in determinations regarding her proposed bonus amount. The final decisions with respect to the bonuses are determined by the members of the Compensation Committee and ratified by the members of the Board of Directors who are independent of executive management. The objective of incentive compensation is to provide incentives and reward our executive officers for their contributions to Hometown Bank. No incentive compensation was paid to any executive officer in 2013.

Change in Control Agreements. Hometown Bank and Hometown Bancorp (as guarantor of any payments not made by Hometown Bank) have entered into change in control agreements with Messrs. Dederick, Ms. Rovereto and Sherwood. The change in control agreements have two-year terms, which renewal is subject to regulatory limitations. If Hometown Bank or Hometown Bancorp involuntarily or constructively terminates the executives (under circumstances outlined in the agreements) following a change in control, as defined in each agreement, each will receive a cash lump sum severance payment equal to three times the executive’s base salary (subject to regulatory approval) on the termination date

paid within 10 days after such termination of employment unless a 6 month delay is required in order to comply with Section 409A of the Internal Revenue Code. In addition, Hometown Bank will continue to provide the executives with life insurance coverage and non-taxable medical and dental insurance coverage for thirty-six months following termination of employment.

Section 280G of the Internal Revenue Code provides that payments contingent upon a change in control that equal or exceed three times the individual’s base amount (i.e., average annual compensation for the five preceding taxable years) are “excess parachute payments.” Individuals receiving excess parachute payments are subject to a 20% excise tax on the amount of the payment in excess of the base amount, and the employer may not deduct such payments for federal tax purposes. The change in control agreements limit payments to the executives to amounts that will not exceed the limits imposed by Section 280G of the Internal Revenue Code.

Long-Term Stock-Based Compensation. The purpose of our 2008 Equity Incentive Plan (“Equity Plan”) is to promote the long-term financial success of Hometown Bancorp and Hometown Bank, by providing a means to attract, retain and reward individuals who can and do contribute to such success and to further align their interests with those of our stockholders. The Compensation Committee determines which executives will receive stock awards as well as type, size and restrictions on the awards. Under the Equity Plan, the Compensation Committee may make grants of incentive stock options, nonqualified stock options, stock appreciation rights or restricted stock. Although the Equity Plan was approved by our stockholders, grants have not yet been made under the Equity Plan.

Retirement Plans. All of our employees, including our named executive officers, who have attained age 21 and have completed 12 months of service during which they have worked at least 1,000 hours are eligible to participate in our 401(k) Plan and in our Employee Stock Ownership Plan (“ESOP”). Participants in the 401(k) Plan may defer between 1% and 75% of their annual compensation into the 401(k) Plan. We may make a discretionary matching contribution under the 401(k) Plan, which is allocated to all participants who are eligible employees on the last day of each plan year. Allocations under the ESOP are based upon an employee’s salary in relation to the salary of all other ESOP participants. Annual contributions to the ESOP are based on the amount necessary to repay the outstanding ESOP acquisition loan and any other discretionary amount. In connection with our mutual holding company reorganization and the Hometown Bancorp initial public offering, the ESOP borrowed \$933,150 from Hometown Bancorp in order to purchase 93,315 shares of Hometown Bancorp common stock in its initial public offering. The ESOP acquisition loan is being repaid over a twenty-year period in equal annual installments of principal and interest. The ESOP acquisition loan can be pre-paid at any time (in whole or in part) prior to the end of the 20-year term, subject to certain IRS limits. Matching contributions made under the 401(k) Plan and ESOP allocations are subject to a six year graded vesting schedule. Benefits under the 401(k) Plan and ESOP are payable upon termination of employment, death, or disability.

Directors' Retirement Plan. Effective as of March 9, 2007, Hometown Bank adopted a directors' retirement plan for the benefit of non-employee directors. Under the plan, directors who have attained the normal retirement age of 65 receive a retirement benefit based on their length of service upon termination of service. Directors with one to nine years of service receive a retirement benefit equal to their vested percentage multiplied by \$500 per year of service. The annual retirement benefit amount increases to \$5,000 upon completion of at least 10 years of service and increases to \$7,500 upon completion of 20 or more years of service. The plan also provides that participants vest in the applicable retirement benefit in equal installments of 20% per year over a five year period, commencing on the date of adoption of the plan for existing Board members or the date of initial Board service, for directors who join the Board after the adoption date. Generally, the applicable retirement benefit is payable over a ten year period in annual installments. If a director dies while receiving benefits under the plan, the director's beneficiary will receive any remaining installments due from the plan. If the participant dies while in service, but after attainment of age 65, the director's beneficiary (ies) will receive an actuarially equivalent lump sum benefit equal to the benefit the director would have received if he or she had retired on the date of death. Upon termination of service (other than termination for cause) following a change in control, as defined in the plan, a director will receive an actuarially equivalent lump sum benefit calculated as if the director had attained age 65, completed at least 20 years of service, and was fully vested regardless of actual age or service at the time of termination. Any enhanced benefit as a result of the director's termination of service is subject to regulatory approval. A director receives no benefit under the plan upon removal for cause (as defined in the plan).

Transactions with Related Persons

All of our loans or extensions of credit to executive officers and directors are made in the ordinary course of business, made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons not related to us and do not involve more than the normal risk of repayment or present other unfavorable features. Federal regulations permit Hometown Bank to make loans to executive officers and directors at reduced interest rates if the loan is made under a benefit program generally available to all other employees and does not give preference to any executive officer or director over any other employee.

We do not have a comprehensive written policy for the review, approval or ratification of certain transactions with related persons. However, our audit committee charter requires that the Audit Committee approve or disapprove of the entry into related person transactions. If advance approval is not feasible, then the transaction is considered, and, if the Audit Committee determines it to be appropriate, ratified at the Audit Committee's next regularly scheduled meeting. In determining whether to approve or ratify a related person transaction, the Audit Committee takes into account, among other factors it deems appropriate, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same/similar circumstances and the extent of the related person's interest in the transaction. Also, in accordance with banking regulations, the Board of Directors reviews all loans made to a director or executive officer in an amount that, when aggregated with the amount of all other loans to such person and his or her related interests,

exceed the greater of \$25,000 or 5% of Hometown Bancorp's capital and surplus (up to a maximum of \$500,000) and such loan must be approved in advance by a majority of the disinterested members of the Board of Directors. Additionally, pursuant to our Code of Ethics, all executive officers and directors must disclose any existing or emerging conflicts of interest to the President and Chief Executive Officer. Such potential conflicts of interest include, but are not limited to, the following: (i) our conducting business with or competing against an organization in which a family member of an executive officer or director has an ownership or employment interest and (ii) the ownership of more than 10% of the outstanding securities or 10% of total assets of any business entity that does business with or is in competition with us.

Gerald N. Jacobowitz is a senior partner in the law firm of Jacobowitz and Gubits, LLP, which provides legal services to Hometown Bancorp and its subsidiaries. During fiscal 2013 and 2012, Jacobowitz and Gubits, LLP received fees totaling approximately \$347,000 and \$417,000, respectively, for legal services rendered in connection with its representation of Hometown Bancorp and its subsidiaries. Mr. Jacobowitz has no specific interest in those fees, but does have an equity interest in Jacobowitz and Gubits, LLP. As required by applicable banking regulations, our business relationship with Mr. Jacobowitz and his law firm has been and will continue to be in the ordinary course of business, on substantially the same terms as those prevailing at the time for comparable transactions.

Nominating Procedures

General

It is the policy of the Board of Directors to consider director candidates recommended by stockholders who appear to be qualified to serve on our Board of Directors and meet the requirements set forth in our bylaws. The Board may choose not to consider an unsolicited recommendation if no vacancy exists on the Board of Directors and the Board does not perceive a need to increase the size of the Board of Directors. To avoid the unnecessary use of the Board's resources, the Board will consider only those director candidates recommended in accordance with the procedures set forth below.

Procedures to be Followed by Stockholders

To submit a recommendation of a director candidate to the Board of Directors, a stockholder should submit the following information in writing, addressed to the Chairperson of the Board, care of the Corporate Secretary, at the main office of Hometown Bancorp:

1. The name of the person recommended as a director candidate;
2. All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934;
3. The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;
4. The name and address of the stockholder making the recommendation, as they appear on our books; provided, however, that if the stockholder is not a registered holder of our common stock, the stockholder should submit his or her name and address along with a current written statement from the record holder of the shares that reflects ownership of our common stock;
5. A statement disclosing whether such stockholder is acting with or on behalf of any other person and, if applicable, the identity of such person; and
6. A statement that the person meets the specific requirements as set forth in our bylaws.

In order for a director candidate to be considered for nomination at our annual meeting of stockholders, the recommendation must be received by the Board of Directors at least 120 calendar days prior to the date our proxy statement was released to stockholders in connection with the previous year's annual meeting, advanced by one year.

Process for Identifying and Evaluating Nominees

The process that the Board follows when it identifies and evaluates individuals to be nominated for election to the Board of Directors is as follows:

Identification. For purposes of identifying nominees for the Board of Directors, the Board relies on personal contacts of the Board members, as well as their knowledge of members of the communities served by Hometown Bancorp. The Board also will consider director candidates recommended by stockholders in accordance with the policy and procedures set forth above. The Board has not used an independent search firm to identify nominees.

Evaluation. In evaluating potential nominees, the Board determines whether the candidate is eligible and qualified for service on the Board of Directors by evaluating the candidate under the selection criteria, which are discussed in more detail below. If such individual fulfills these criteria, the Board will conduct a check of the individual's background and interview the candidate to further assess the qualities of the prospective nominee and the contributions he or she would make to the Board.

Minimum Qualifications

The Board utilizes a set of criteria that it considers when it selects individuals not currently on the Board of Directors to be nominated for election to the Board of Directors. A candidate must meet the eligibility requirements set forth in our Bylaws, which include a stock ownership requirement, a residency requirement and a requirement that the candidate not have been subject to certain criminal or regulatory actions. A candidate must also meet any qualification requirements set forth in any Board or committee governing documents.

If the candidate is deemed eligible for election to the Board of Directors, the Board will then evaluate the prospective nominee to determine if he or she possesses the following qualifications, qualities or skills:

- contributions to the range of talent, skill and expertise appropriate for the Board;
- financial, regulatory and business experience, knowledge of the banking and financial service industries, familiarity with the operations of public companies and ability to read and understand financial statements;
- familiarity with our market area and participation in and ties to local businesses and local civic, charitable and religious organizations;
- personal and professional integrity, honesty and reputation;
- the ability to represent the best interests of our stockholders and the best interests of the institution;
- the ability to devote sufficient time and energy to the performance of his or her duties;
- independence under applicable Securities and Exchange Commission and listing definitions; and
- current equity holdings in Hometown Bancorp.

The Board will also consider any other factors it deems relevant, including age, diversity, size of the Board of Directors and regulatory disclosure obligations.

Although the Nominating/Corporate Governance Committee and the Board do not have a formal policy with regard to the consideration of diversity in identifying a director nominee, diversity is considered in the identification process. While attributes such as relevant experience, financial acumen, and formal education are always considered in the identification process, the Nominating/Corporate Governance Committee and the Board will also evaluate a potential director nominee's personal character, community involvement, and willingness to serve so that he or she can help further our role as a community-based financial institution.

With respect to nominating an existing director for re-election to the Board of Directors, the Board will consider and review an existing director's Board and committee attendance and performance; length of Board service; experience, skills and contributions that the existing director brings to the Board; and independence.

Stockholder Proposals and Nominations

Our Bylaws provide that in order for a stockholder to make nominations for the election of directors or proposals for business to be brought before a meeting of stockholders, a stockholder must deliver written notice of such nominations and/or proposals to the Corporate Secretary not less than 30 days before the date of the meeting; provided that if less than 40 days notice or prior public disclosure of the meeting is given or made to stockholders, such notice must be delivered not later than the close of the tenth day following the day on which notice of the meeting was mailed to stockholders or such public disclosure was made.

Stockholder Communications

We encourage stockholder communications to the Board of Directors and/or individual directors. Stockholders who wish to communicate with the Board of Directors or an individual director should send their communications to the care of Amy Sherwood, Corporate Secretary, Hometown Bancorp, Inc., 12 Main Street, Walden, New York 12586. Communications regarding financial or accounting policies should be sent to the attention of the Chairperson of the Audit Committee.

Miscellaneous

We will pay the cost of this proxy solicitation. We will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of Hometown Bancorp. In addition to soliciting proxies by mail, directors, officers and regular employees may solicit proxies personally or by telephone. None of these persons will receive additional compensation for these activities.

If you and others who share your address own your shares in "street name," your broker or other holder of record may be sending only one notice, or proxy statement, as applicable, to your address. This practice, known as "householding," is designed to reduce our printing and postage costs. However, if a stockholder residing at such an address wishes to receive a separate notice, or proxy statement in the future, he or she should contact the broker or other holder of record. If you own your shares in "street name" and are receiving multiple copies of our notice, and proxy statement, you can request householding by contacting your broker or other holder of record.

BY ORDER OF THE BOARD OF DIRECTORS

Amy Sherwood
Corporate Secretary
